### INFORMATION REQUIRED BY THE DEPARTMENT OF EDUCATION

The Department of Education and Skills has developed an electronic database of primary school pupils called the Primary Online Database (POD). This database holds data on all primary school pupils including their PPSN, First Name, Last Name, Name as per Birth Certificate, Mother's Maiden Name, Address, Date of Birth, Gender, Nationality, whether one of the pupil's mother tongues is English or Irish, whether the pupil is in receipt of an Exemption from Irish and if so the reason for same, whether the pupil is in receipt of Learning support and if so the type of Learning support, whether the pupil is in a Mainstream or Special Class. The database will record the class grouping/standard the pupil is enrolled in, and will also contain, on an optional basis, information on the pupil's religion and on their ethnic or cultural background.

Through this database, the Department will be able to evaluate the progress of pupils at primary level, to validate school enrolment returns for grant payment and teacher allocation purposes, to follow up on pupils who do not make the transfer from primary to post-primary level, and for statistical reporting.
